

Santa Clara Elementary Community Council
Meeting 11/28/22

Attendees: James Lowe, Jodi Goodrich, Haylee Caplin, Kate Campbell, Kelli Hicks

Review minutes: read minutes

Trust Lands and TSSA:

1. Staffing: para professionals
2. Supplies/Technology: new projectors with smartboards. \$1700-1800 per board (Grades K-3). Installed by beginning of the year.

Internet and school safety:

1. [Saferoutes.utah.gov](https://saferoutes.utah.gov) Website for any utah school to show safe routes to each school. Add link to the website.

2. Zig zag crosswalks: school zone which makes it mandatory to wait until people are completely across the road.
3. Standard double line crosswalks: cars can pass when people are at least 50% across the road.
4. Bark: shows how the internet is being used for our school. Mr. Lowe has access for our school data. At home and school when logged into their school email accounts. Shows search with image in a screenshot.
5. School Internet and Tech Plan for SCES: 80% is filters/software, 20% teacher supervision. Plan creates individualized plans for students abusing technology privileges. This plan is for a set time and signed off by students, parents and administration.
6. December 5th Utah Tech Internet Safety presentation for the whole school.
7. Evacuation Plan: simplified to 4 groups for sweeping the building and accounting for classes. Sweepers: Elaine Gubler, Kaitlyn Smith, Kate Campbell, Jennifer Crowton.
8. School Safety: lock doors by the lunchroom with a person to open the door to use the restrooms.

Next Meeting: January 23, 2023

Future Agenda items:

2023/2024 school budget

New recruits for community council

Walk/Bike to school week planning
